

Mosaic

MIX100RK

Fuel Type

Wood & Gas

Oven Type

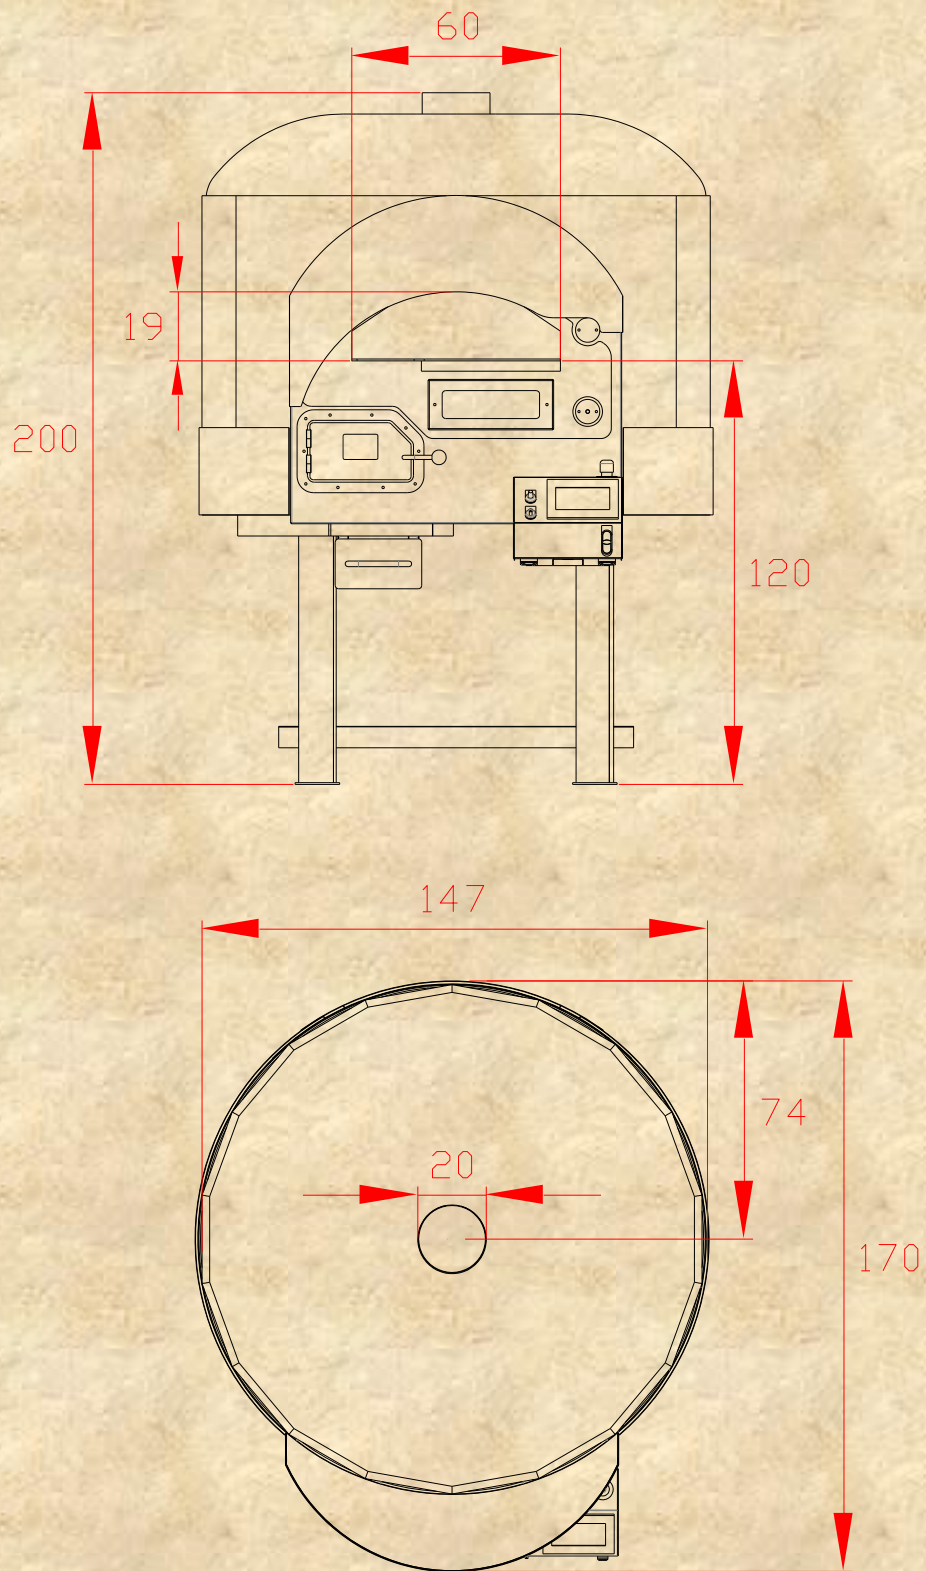

Rotary

Silicone Coating

Practical, compact, stylish - all words that describe this particular product. Our model MIX100RK is a dual fuel pizza oven (wood and gas) with a rotating base adjustable for speed and direction of rotation, capable to bake up to 90 pizzas per hour. Very attractive and elegant with double door – one for the main baking chamber and additional door for the wood burning chamber. A separate drawer for the wood burning ashes and a gas burner with adjustable power. Modern mixed oven with very high durability and efficiency – this is what this model offers. Produced in two designs – silicone coating and mosaic finish with various color options.
